No. 05-1140-T/An

ORDER RETAINING JURISDICTION
AND
CLOSING CASE FOR ADMINISTRATIVE PURPOSES

On December 15, 2005, the Court conducted a fairness hearing pursuant to Federal Rule of Civil Procedure 23(e) with regard to a settlement agreement executed by the parties to this class action lawsuit. At the close of that hearing, the Court issued an order approving the settlement agreement, under which Hardin County is required to build a new jail facility and implement certain policy and procedural changes.

The December 15 order requires the parties to report to the Court every six months on the implementation of the settlement agreement, including the progress on the building of a new jail facility. Thus, the Court retains jurisdiction to address issues that may arise out

of the settlement. However, the Clerk of Court is directed to close this case for administrative purposes.

IT IS SO ORDERED.
